

Angel - Sarah McLachlan. Capo - 1st Fret If you want to play along

C -> Csus4

(C) Dm F
Spend all your time waiting for that second chance,
C F G
for a break that would make it okay.

(G) Dm F
There's always some reason to feel not good enough,
C F G
and it's hard, at the end of the day.

(G) Dm F
I need some distraction, Oh, a beautiful release.
C F G
...memories seep from my veins.

(G) Dm F C F G
Let me be empty, Oh, and weightless and maybe, I'll find some peace tonight.

**** C Csus4 C Em
In the arms of the angel, fly away from here,
F C G
from this dark, cold hotel room, and the endlessness that you feel.

C Csus4 C Em
You are pulled from the wreckage, Of your silent reverie.

F C G C
You're in the arms of the angel, may you find... some comfort here. F C F ***

(F) Dm F
So tired of the straight line, and everywhere you turn,
C F G
there's vultures and thieves at your back.

(G) Dm F
The storm keeps on twisting. Keep on building the lies
C G
that you make up for all that you lack.

(G) Dm F
Don't make no difference, escape one last time.
C F G
It's easier to believe...

(G) Dm F
in this sweet madness, Oh, this glorious sadness,
C F G
that brings me to my knees. ** chorus***
