

Space Cowboy - Optional Capo 1 to play with Kacey Musgraves

C **Am**

You look out the window

Em **F**

While I look at you

C **Am**

Sayin' I don't know

Em **F**

Would be like saying that the sky ain't blue

C **Am**

And boots weren't made for sitting by the door

Em **F**

Since you don't wanna stay anymore

*****[Chorus]*****

F **C** **Am**

You can have your space, cowboy

Em **F**

I ain't gonna fence you in

C **Am**

Go on ride away, in your Silverado

Em **F**

Guess I'll see you 'round again

C **Am**

I know my place, and it ain't with you

Em **F**

Sunsets fade, and love does too

C **Am**

Yeah, we had our day in the sun, when a horse wants to run,

Em **F**

There ain't no sense in closing the gate

C Am Em F

You can have your space, cowboy

***** [end chorus] *****

[Verse 2]

C **Am** **Em** **F**

After the gold rush, there ain't no reason to stay

C **Am** **Em** **F**

Shoulda learned from the movies that good guys don't run away

C **Am**

But roads weren't made to not go down

Em (*very fast words!*) **F**

There ain't room for both of us in this town
