```
D                        A                    G
Don't tell me love is something you won't try again
         A
That's just not true
D                    A                    G
But baby right now maybe what you need's a friend
           A
Well I'm here for you
******
D                    A
I will be by your side
             Bm                              G
If ever you fall deep in the dead of the night
            D
Whenever you call
                    A
And I won't change my mind
                 Bm      G
No I'll see you through
      G         A
And I won't give up

      G         Bm
No I won't give up
   G      A      D
I won't give up on you
**intro again
D                        A                    G
You need someone who knows you from the inside out
     A
The way I do
D                        A                    G
I've seen you walk the wire never looking down
      A
I believe in you

D                    A
I will be by your side
             Bm                              G
If ever you fall deep in the dead of the night
