

It's beginning to look a lot like xmas

D G D
It's beginning to look a lot like Christmas

D F# G
Everywhere you go;

Em A D Bm
Take a look in the five-and-ten, glistening once again
A E A
With candy canes and silver lanes aglow.

[Verse]

D G D
It's beginning to look a lot like Christmas,

D F# G
Toys in every store,

Em A D B
But the prettiest sight to see is the holly that will be
Em A D
On your own front door.

[Bridge]

F#
A pair of hopalong boots and a pistol that shoots

Bm F# Bm
Is the wish of Barney and Ben;

E
Dolls that will talk and will go for a walk

A E A
Is the hope of Janice and Jen;

A
And Mom and Dad can hardly wait for school to start again.

[Verse]

D G D
It's beginning to look a lot like Christmas

D F# G
Everywhere you go;

Em A D Bm
There's a tree in the Grand Hotel, one in the park as well,
A E A
It's the sturdy kind that doesn't mind the snow.

[Verse]

D G D
It's beginning to look a lot like Christmas;

D F# G
Soon the bells will start,

Em A D B
And the thing that will make them ring is the carol that you sing
Em A D
Right within your heart.

[Outro]

D G D
It's beginning to look a lot like Christmas,

D F# G
Toys in every store,

Em A D B
But the prettiest sight to see is the holly that will be
Em A F# B
On your own front door.

Em A D
Sure it's Christmas once more.**
